Yakuo-in Temple, a Shingon sect temple founded about 1,200 years ago, is widely known as one of the big three head temples of the Chisan school of Shingon Buddhism, along with Naritasan Shinshoji Temple and Kawasaki Daishi Heikenji Temple. The principal deity is Izuna Daigongen, a living vision of Fudo Myo-o (Immovable Wisdom King, Acalanātha) endowed with the five phases.
